Step 2 Read and Sign Voluntary Patient Authorizations

I. For purposes of these Authorizations:

“AMAG” means AMAG Pharmaceuticals, Inc., and its affiliates, subsidiaries, representatives, agents and contractors including the Makena Care Connection; “PHI” means personal health information, including, but not limited to, information relating to your medical condition, treatment, care management, and health insurance, as well as all information provided on this form and any prescription or by you directly; and “De-Identified Data” means information that will not be specifically identifiable to you or your baby. For example: AMAG may publish a report that says, “On Tuesday, 5 patients were contacted.” You may be one of those 5 patients, but the information would not be traceable to you.

Access: Your treatment, payment, enrollment, or eligibility for benefits (“Access”) is not conditioned on signing any Authorization. PHI can be subject to special protections by law, such as HIPAA. Unlike your healthcare provider, however, AMAG is not “covered” by HIPAA, which means that any PHI disclosed to AMAG is not controlled by HIPAA. AMAG agrees to only use your PHI as you authorize below, and to not sell your PHI to a third party.

Copy, Expiration, and Cancellation Rights: You are entitled to a copy of each Authorization. Except as to De-Identified Data, each Authorization you sign expires five (5) years from the date signed below. You may cancel any Authorization at any time by mailing a letter requesting such cancellation to AMAG c/o AllCare Plus Pharmacy, 50 Bearfoot Rd., Northborough, MA 01532, or by phone by calling 1-800-847-3418, but this cancellation will not apply to any information already used through the Authorization.

II. PHI Authorization: By signing this Authorization, I authorize my health plans, healthcare providers, and pharmacies to disclose my PHI to AMAG for the following purposes: (1) to assist with my obtaining and being treated with Makena, such as to: (a) establish my eligibility for benefits; (b) communicate with my healthcare providers and me about my medical care; (c) help third parties provide care-related products, supplies, or services; and (d) register me in any product registration program required for my treatment; (2) to contact me during and after my treatment to: (a) provide me with treatment or support materials; and (b) ask me to participate in patient programs and surveys; and (3) to review and publish De-Identified Data. Further, I understand and agree that: (i) my PHI disclosed under this Authorization is no longer protected by federal privacy laws; (ii) my pharmacy may share my PHI related to the dispensing of Makena, and that my pharmacy may be paid for that information; (iii) I may refuse to sign this Authorization and still have Access; and (iv) I understand my Copy, Expiration, and Cancellation Rights.
